Note: From 1961-1973, Hondo (nom de plume, or alias, or AKA Peter Cedarstacker) wrote a social satire column for the *Comfort News*. The fictional town of Cedar Creek and all of its characters eventually became the real town of Luckenbach and all of its characters (and Luckenbach has some real characters!) The MOON reserves a special corner for Peter Cedarstacker, Writer, as a corner of wit and human insight for us today.

-Becky Crouch Barrales

CEPARD CREEK CLIPPINGS

Jesus McNeil (nearly Mexican) had Lenny Birmingham Jones motor him Wed. of this week to Big Flat to see about getting a new pair of glasses. He wants them new bi-focus ones.

Everyone attended the flag raisin' Monday mainly because we have a new flag. Mama (that's my wife, not my real mama)

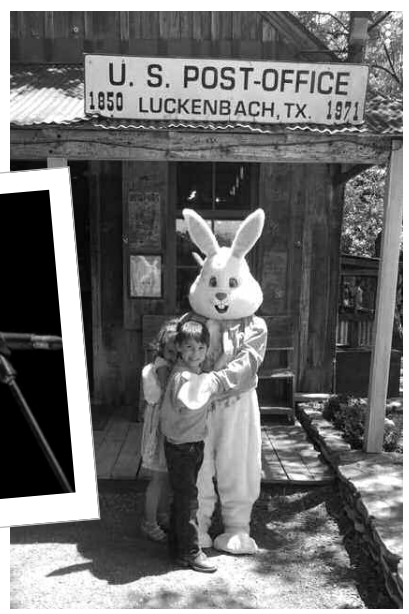

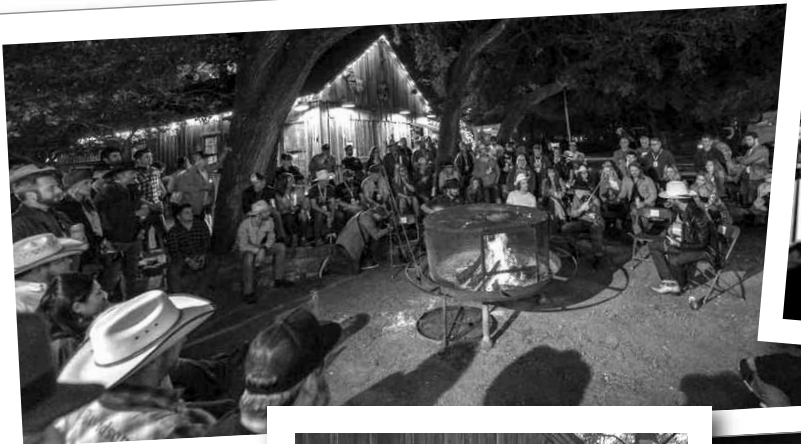

thinks everyone should attend whether it's a new flag or a ratty one. Senator Garble made a short (hooray!) speech and Trapper Gutowsky popped his bullwhip.

I'm happy we do this only once a week because it takes so much outa me. It's so much fun to your body to stand there listenin to my National Anthem, played by the Wurstbottom boy's trumpet and see all the sad postures brighten up. Mama got another lump. This time in her throat. She's always been real sensitive, but not me.

Just as we were pledgin all our allegiance a jet fighter plane flew over. I wanted to wave but I was tryin not to move. I musta looked up at the sun cause tears rolled off my face. Mama smiled at me.

Remember: Fight freedom
