Note: From 1961-1973, Hondo (nom de plume, or alias, or AKA Peter Cedarstacker) wrote a social satire column for the *Comfort News*. The fictional town of Cedar Creek and all of its characters eventually became the real town of Luckenbach and all of its characters (and Luckenbach has some real characters!) The MOON reserves a special corner for Peter Cedarstacker, Writer, as a corner of wit and human insight for us today.

CEBAR CREEK CLIPPINGS

Jesús McNeil visited the Wurstbottoms Wednesday of this week. Poor old goodhearted Jesús just stays in trouble. 'Member last year when he loaned a federal man a pack of

marijuana cigareets? Then he got trapper Gutowsky in trouble last month when he gave a revenue man a pint of the trapper's homemade whiskey.

Today he came with a nice bloody mess of quail in his little brown hands and gave 'em to Mrs. Wurstbottom, stepped back, tipped his broken hat and bowed out. His little heart didn't know Mrs. Wurstbottom was past president of the "Bird Lovers of Our Precinct," (BLOOP), and present president of the Audubon Society, and a vegetarian.

Seems like good people and bad things live real clost to each other.
