Note: From 1961-1973, Hondo (nom de plume, or alias, or AKA Peter Cedarstacker) wrote a social satire column for the *Comfort News*. The fictional town of Cedar Creek and all of its characters eventually became the real town of Luckenbach and all of its characters (and Luckenbach has some real characters!) The MOON reserves a special corner for Peter Cedarstacker, Writer, as a corner of wit and human insight for us today.

## CEDAR CREEK CLIPPINGS

Zombrano Rausch, no kin to Hubert, was up from Pipe Creek this weekend wanting to contract armadillo meat to feed the hunters this fall. Trans World Airlines is havin' a strike and Arthur Goldberg, kin to Rube, is gonna make 'em take off Monday without no pilots. Lefty and Ann GoForth are the proud parents of a little girl. Her name is Susan and she is in my Sunday school class and she is smart.

That is about all the news (news is plural) here in Cedar Creek. I had another new but I can't get on it rite now. I have to go write Nikita and Azelea Klappenbach for their nice letter to the nice editor of the *Comfort News*. The Klappenbachs you'll remember are the Luckenbach Klappenbachs, who now live in Possum Hollow and want equal space in the *Comfort News*! Little do they know that we here in Cedar Creek have to pay plenty to get our news in the *Comfort News*.

Lester Flach, no kin to Lefty, wants to know where Cedar Creek is at. Here in Cedar Creek we're all retired Government employees, and we don't know where Cedar Creek is either, and care less. We couldn't find it with both hands, or a pair of deer horns. But I want to thank Lester for his sweet letter; I'll bet he's purty. He lives in Boerne, so "hello dere, Boerne."

Another writer wants to know the most efficient way to remove a skunk from a trap. Being the efficiency expert that I am, I went out last nite and trapped a skunk so I could write about it step by step. I must not have done it rite. You're welcome to have the notes I took if you can read thru a gas mask. You can have my clothes too. I didn't know skunks were so tricky. They play possum. My eyes burn. Kinda mad at the "dear reader" too.

I have come to the conclusion that Mr. Skunk trapper can write to his Congressman for a free bulletin sent in a brown envelope postage free and you'll be fined for using the envelope, bad. I'm sure the Federal Government has a bulletin on "The Art of Taking A Live Skunk Out of A Steel Trap," because they sent me one on "Abnormal Sex Habits of the Anopheles Mosquitoes."

I wish you "dear readers" would quit askin' so many questions. I have enough problems of my own. I'm beginning to feel like a He Ann Landers.

Gotta go to the Post Office and see if I can pick up a new.
